

OPEN SCIENCE FOR OPEN MINDS

Are you a researcher in need of tools to acquire essential data for your research project, but in lack of the right infrastructure and know-how? Are you seeking physical or remote access to cutting-edge laboratories in your field of study?

ILGE, The network of laboratories and infrastructures dedicated to the geoscience community open the first Transnational and National Open Access Call

ACCESS THE LIST OF TOOLS AND LABORATORIES AVAILABLE AND JOIN THE CALL

THE DEADLINE
FOR SUBMITTING
APPLICATIONS IS

FEB ▶ 29 ▶ 2024

The program provides:

- ▶ technical and scientific support;
- ▶ administrative and logistic support;
- ▶ hands-on training needed to access the facilities;
- ▶ travel expenses (different budgets for intra EU, extra EU, national);
- ▶ subsistence (within a daily maximum);
- ▶ remote access with coverage of sample shipping costs.

For any request or assistance, contact management.ilge@ingv.it
